

# Finish the fight against breast cancer.

## Making Strides Against Breast Cancer of Montgomery County

October 24th, 2015

### WHAT:

The American Cancer Society Making Strides Against Breast Cancer walk is a powerful event to raise awareness and funds to end breast cancer. Last year in Norristown, the noncompetitive 5k walk welcomed more than 850 participants and raised more than \$87,000.

Making Strides walks are the largest network of breast cancer awareness events in the nation, uniting nearly 300 communities to finish the fight.

### WHEN:

Saturday, October 24th, 2015  
Registration: 8:30 a.m.  
Program: 9:00 a.m.  
Walk Start: 10:00 a.m.

### WHERE:

Norristown High School/Farm Park  
1900 Eagle Drive  
Norristown, PA 19401

We **save lives** and create more birthdays by helping you stay well, helping you get well, by finding cures, and by fighting back.

### WHO:

Making Strides Against Breast Cancer events bring together people who want to make a difference in the fight against breast cancer. People walk as individuals or on teams with family, friends, and coworkers. Event volunteers help with registration, logistics, and participant support.

### WHY:

Making Strides events celebrate and honor breast cancer survivors and caregivers; educate the public about prevention and detection to reduce risk of the disease; and raise funds to help end breast cancer. Last year, nearly 1.2 million Making Strides walkers turned awareness into action by helping to raise more than \$60 million for the American Cancer Society to help save lives from breast cancer.

### T-SHIRTS:

T-shirt order forms are available in the Team Leader Kits. For more information on receiving a T-shirt order form, please use the contact information below.

### YOUR DOLLARS AT WORK:

Thanks to Making Strides supporters, the American Cancer Society is able to fund groundbreaking breast cancer research to better understand, prevent, find, and treat the disease; provide comprehensive information and services to patients, survivors, and caregivers; and ensure access to mammograms for women who need them.
