

# RESIDENT FEEDBACK SURVEY

As Norristown embarks on its **FIRST** Capital Improvement Plan, it is important to us that residents have a say in what projects the Municipality invests in and pursues.

Using the information provided on the various initiatives proposed by staff, please fill out the following survey to let municipal staff and the Municipal Council know exactly what you think!

This Survey will ask that you to indicate your level of interest for each project and their category by checking off boxes labeled: ***Support, Somewhat Support, Somewhat Against, Against.***

An example is provided below to illustrate how to give feedback:

Please indicate your level of interest in this survey:
