NORRISTOWN FIRE DEPARTMENT

Fervet Opus

Have you ever thought about becoming a firefighter within your community? Of the excitement? Of service you could provide? There's a place for you at NFD no matter what your ideal opportunity is.

Who is the Norristown Fire Department?

The mission of the Norristown Fire Department is to save lives and protect property through prevention, preparedness, education and response. We are a combination fire department consisting of 55 Nationally Certified Firefighters. These include 10 Career and Volunteer Chief Officer's, 17 career firefighters, 30 volunteer firefighters and a Fire Marshal.

The Fire Department responds to over 1,200 calls for service each year and is made up of four fire companies: Norristown Hose Company, Montgomery Hose Fire Company, Fairmount Engine Company No.2 and Hancock Fire Company.

The Fire Department participates in the Pennsylvania Fire Service Certification Program and the Voluntary Rescue Service Recognition Program. These programs identify and recognize that the Norristown Fire Department meets or exceeds the standards for the fire service.

What OPPORTUNITIES Are Available?

Whether fighting fires, servicing the fire trucks, or volunteering in any other role, you would be a vital member at **NFD**. All members keep the companies running smoothly so we can be prepared to help the community with any emergency.

- **Training is provided FREE.**
- **The NFD provides personnel with all necessary protective equipment.**
- **Life Insurance for all members.**
- **Low interest loans to qualified volunteers**
- **Own training facility where you can build your skills.**
- **Sleeping accommodations.**
- **Junior Firefighter program.**
- **Career Opportunity and a chance to earn additional points on the Entry Level Firefighter Examination.**

What's stopping you from gearing up?

Norristown Professional Firefighters

Each applicant for the position of Firefighter must present proof of the following at the time of application:

1. Firefighter Level II Certification in accordance with the NFPA 1001
2. Haz Mat Ops Certification within the last 12 months in accordance with NFPA 472
3. Emergency Vehicle Operations- Fire Apparatus or equivalent
4. Pump Operations Course or equivalent.

Any applicant who meets the general requirements above and who has actively served as a volunteer within the Norristown Fire Department for at least 12 months prior to the time of application, and who was on scene for at least 10% of his/her member company emergency calls shall receive an additional 5 points on top of their total score if the applicant receives a passing score on all of the required examinations. A letter by the Chief of the NFD confirming such services must be submitted.
