Rep. Madeleine Dean Hosts District Office Open House Events in Norristown, Glenside

February 22, 2019

GLENSIDE, PA – Rep. Madeleine Dean officially opened her two district offices this week. On Tuesday, February 19, she and her staff held an open house at her Norristown district office (101 East Main Street, Suite A, Norristown, PA), and on Thursday, February 21, held an open house at her Glenside office (115 East Glenside Avenue, Suite 1, Glenside, PA).

The open houses were attended by nearly 300 constituents, local elected leaders, law enforcement, and advocates to share their views, learn about valuable services the office and staff provide, and meet the Congresswoman.

Rep. Dean commented on the events. “It’s such a pleasure to see old friends, new friends, and constituents from across the district. My staff and I work for the people of the Pennsylvania Fourth District, and we look forward to being a resource for constituents and hearing about the issues they are passionate about. We encourage constituents to visit our offices to learn more about the services we provide.”

Rep. Dean aims to hold regular events in Montgomery and Berks counties.
