IMPORTANT NOTE FOR PROPERTY OWNERS AND APPLICANTS:

The following may not pertain to everyone. It will only pertain to individuals or parties that will need to seek some type of relief from their proposed Use. The following is for information purposes only. The formal zoning determination from the Planning department will clearly state if you need to seek relief. If you desire to seek relief and make a formal application before the Zoning Hearing Board or Municipal Council, upon the Planning Department’s receipt of said application will you be notified if you are in compliance with Resolution 14-103. If found to be in compliance of 04-103, your application will be accepted and you may appear before the Zoning Hearing Board or Municipal Council. If you (or the property owner) are not in compliance with 04-103, your application will be denied.

As per Resolution 04-103, if as a result of this zoning application, an individual or party desires to seek relief before either the Zoning Hearing Board or Municipal Council, then said individual or party must be in compliance with all of the Municipal laws, Resolutions, Ordinances, Rules and Regulations to be entitled for any special relief, assistance or special ruling and/or legislation.

What the above means: If the property owner or the applicant are in violation of any Municipal law or regulation, they may not go before the Zoning Hearing Board or Municipal Council until they are in compliance with this law or regulation. Example: If an individual owes rental fees to the Municipality through the Building and Code department and needs to seek a Special Exception for another property that they own within the Municipality, this individual will not be able to seek relief until all rental fees are paid in full.
Before the use or occupancy of a property in the Municipality of Norristown changes, including the installation of accessory structures and fences or the placement of a sign occurs, the owner or tenant must obtain a zoning permit. Fees associated with zoning permits cover the cost of administrative and other related review and processing costs. Any change in use or occupancy or the placement of a sign, without first obtaining the appropriate zoning permit shall be subject to an assessment of double the permit fees described below.

Whenever a parcel of land is divided into two (2) or more lots, or when two (2) or more lots are combined, the property owner must develop a plan and have it reviewed and approved by the Norristown Planning Commission. In addition, whenever a new building or addition is to be constructed, plans for these improvements must come before the Norristown Planning Commission.

There are two (2) categories of fees related to subdivision and land development applications. Administrative fees cover the processing and review costs of applications as well as public notices, meeting attendance, plan distribution, and coordination of plan reviews by municipal professionals. Administrative fees are not refundable. Escrow fees are applied to the legal and engineering costs of plan reviews by municipal professionals. Unused escrow fees are returned to the applicant. Should the escrow fee balance be reduced to $1000.00 or less, the Municipality reserves the right to request additional escrow fees.
