

Norristown TRASH COLLECTION

where you belong

- All Trash must be placed in the **NEW RED WHEELED CART** along with two additional 35 gallon containers and must have secure lids.
- Red cart and other trash cans should be placed out for collection no more than 18 hours prior to your scheduled collection time. Do not leave containers out past 18 hours after your scheduled collection time.
- Store your cart on your property, not in the alley, right of way, or on the sidewalk. Any loose trash in the alley must be picked up and deposited in your red cart.

- **Yard Waste** collection is one day after your scheduled collection day beginning the second Monday of every month. Place waste in a container or a biodegradable paper bag. **NO PLASTIC BAGS.**

- **Bulk Waste** collection is the same as your scheduled trash/recycling collection day. Limit of one (1) bulk item per week. White items such as washing machines must be called in (1-800-432-1616) to schedule collection.

Holiday Collection Schedule

If there is a holiday on or before your scheduled collection your collection will take place one day late. For instance: if Wednesday is a holiday, Wednesday collection on Thursday, Thursday collection on Friday, Friday collection on Saturday. For that week only. **Holidays:** New Year's Day (January 1), Memorial Day, Independence Day (July 4), Labor Day, Thanksgiving Day, and Christmas Day (December 25).

No Hazardous Wastes!

Car batteries, gasoline, motor oil, pesticides, oil-base paints and other toxic and hazardous materials do not belong in the trash! Call the Montgomery County Planning Commission/ Recycling Coordinator at 610-278-3722.

E-Waste Alert! Disposal Ban: State law prohibits residents from putting covered devices such as televisions, desktop and laptop computers, monitors, keyboard and anything that connects to a computer out for trash collection. Retail stores like BestBuy® and Staples® accept e-waste, no purchase necessary, with certain restrictions. Call a local store or check their websites for specifics.

Hours of Operation: Mon thru Fri 8:30 am to 5:00 pm, Sat 7:00 am to 12:00 pm or on the web at www.jpmascaro.com

Get Rewarded for Recycling!

Recycling always rewards us by conserving natural resources and saving the money. Now you can also earn personal rewards just for recycling regularly and right. With the new Clean and Green Recycling Rewards program, powered by J.P. Mascaro & Sons, the more you and your neighbors recycle, the more rewards points you earn. Redeem reward points for local businesses promotional, discounts, coupons and more at www.cleanandgreenrewards.com.

How to Redeem Your Points

When you've accumulated enough points, it's time to reap the rewards. Simply log into your account.

Program Details

1. Click on the register button on the top of the page.
2. Fill out the online registration form to open a Clean and Green Rewards account.

How do I earn Clean and Green Rewards Points for Recycling?

3. Once you register your account, you will receive reward points.
4. Our crews that pick up your recycling will register that your home recycles and Reward Points will automatically be deposited into your account. The point total will be based on how much your community has recycled.

How do I get Rewards?

5. Log into your Clean and Green Rewards account.
6. Go to the 'Get Rewards' section and shop for rewards. Online rewards will be made available immediately after checkout. Print at home your coupon and use it at participating business partners.

Register

WHEN IT RAINS, IT DRAINS!

- **Storm Drains:** Never dump anything down a storm drain especially used motor oil or antifreeze. Dispose of these properly at a local service station or approved recycling center. Encourage your community to stencil storm drains with "No Dumping, Drains to Creek" so others will know that everything that enters the storm sewer system also enters their local creeks.
- **Pet Waste:** Pet waste can be a major source of excess nutrients and bacteria to local water bodies. It is important to always pick up after your pet and dispose of the waste properly. When pet waste is left on the ground it increases public health risks.
- **Auto Care:** Washing your car at home on the driveway or the street can send detergents and other contaminants through the storm sewer system. It is best to wash your car at a commercial car wash where they treat and recycle the wastewater. If you do wash your car at home, do so in your yard so the water infiltrates into the ground. Also, repair all car leaks. Fluid leaking from a car onto a paved surface is washed into the storm sewer system when it rains. Thank you for caring for Norristown!

Put these items in your recycling cart with the **BLUE LID**

Paper, Cardboard, Magazines & Junk Mail Papel, Cartón, Revistas Y de correo no deseado
