RE: Reserved handicap parking space REMOVAL 1024 Cherry Street

Chief Talbot,

I investigated a complaint that the handicap space holder is deceased at 1024 Cherry Street. The space holder is Genesis Vidal-Ramos. PennDOT records show she is deceased (OLN 31 534 501). I mailed a letter to the house explaining that if another resident was in need of the space they could complete the application. I did not hear back from the residents.

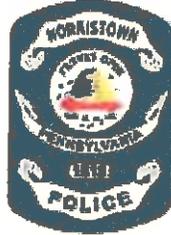

Please start the process for a resolution to have the signs removed.

Re: Reserved Handicap Parking – 52 E. Brown St.

Chief Talbot,

On October 1, 2019 the Municipality of Norristown received a request from Mrs. Elsie Queenan for a reserved handicap parking space in front of her property. Mrs. Queenan resides at 52 E. Brown St. Norristown, Pa 19401. Along with her completed application and physician's certification of disability was a copy of her Pa registration card for a 2008 Mercury bearing plate #LCJ and a copy of her person with disability placard and I.D. card #P79416R exp. 03-22.

On December 6, 2019 I responded to the area to investigate the feasibility of allowing for a reserved parking space at this location. The property is located on the south side of the street, approximately mid-block. There is no available off street parking for this property. Allowing for a reserved parking space in front of this property would not conflict with any existing parking regulations outside of the weekly maintenance route, nor create any type of safety hazard.

Due to the lack of available off street parking for this property, it is my opinion that this request be considered for approval.

Respectfully

Cpl. Edward Rambo
