Re: Reserved handicap parking space APPROVAL 604 E. Main St.

Chief Talbot,

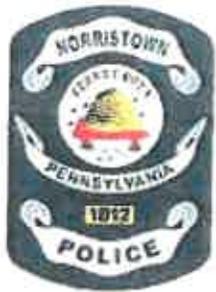

The Municipality of Norristown received a request from Chan Ok Kim for a reserved handicap parking space in front of her residence at 604 E. Main St. Kim provided her completed application, physician's certification of disability as well as a copy of her Pennsylvania Identification Card and registration card for a 2004 Honda bearing plate KDE1045. She also provided a copy of her Pennsylvania person with a disability placard and I.D. card # P67725M that expires 03-21. The application indicates that she is dependent on her husband, Chang Ik Kim, for transportation and she provided a copy of his operator's license.

I went to 604 E. Main St. to investigate the feasibility of allowing a reserved space at this location. The residence is a row home on the south side of the street and there currently is no off street parking available for this property. Allowing a reserved space at this location would not conflict with any existing parking regulations other than the weekly maintenance route or create any hazard.

Due to the lack of off street parking it is my recommendation that this request be APPROVED.

Re: Reserved handicap parking space APPROVAL 108 Hamilton St.

Chief Talbot,

The Municipality of Norristown received a request from Jose Velez for a reserved handicap parking space in front of his residence at 108 Hamilton St. Velez provided his completed application, physician's certification of disability, neighbor notification addendum as well as a copy of his Pennsylvania operator's license and registration card for a 2017 Infinity bearing plate LGP0507. He also provided a copy of his Pennsylvania person with a disability placard and I.D. card # P46446Y that expires 03-25.

I went to 108 Hamilton St. to investigate the feasibility of allowing a reserved space at this location. The residence is a row home on the east side of the street and there currently is no off street parking available for this property. Allowing a reserved space at this location would not conflict with any existing parking regulations other than the weekly maintenance route or create any hazard.

Due to the lack of off street parking It is my recommendation that this request be **APPROVED.**

Re: Reserved handicap parking space APPROVAL 1313 Redwood Ln.

Chief Talbot,

The Municipality of Norristown received a request from John Davis for a reserved handicap parking space in front of his residence at 1313 Redwood Ln. Davis provided his completed application, physician's certification of disability, neighbor notification addendum and a copy of both his Pennsylvania operator's license and registration card for a 2010 Chevrolet bearing plate KWP4839. He also provided a copy of his Pennsylvania person with a disability placard and I.D. # P38572X.

I went to 1313 Redwood Ln. to investigate the feasibility of allowing a reserved space at this location. The property is a row home on the north side of the street and there currently is no off street parking available for the residence. Allowing a reserved space at this location would not conflict with any existing parking regulation other than the weekly maintenance route or create any safety hazard.

Due to the lack of off street parking it is my recommendation that this request be **APPROVED**.

Re: Reserved handicap parking space APPROVAL 554 Noble St.

Chief Talbot,

The Municipality of Norristown received a request from John Basmajian for a reserved handicap parking space in front of his residence at 554 Noble St. The application was filed on behalf of his five year old disabled son, Andrew Basmajian. Basmajian provided his completed application, physician's certification of disability, neighbor notification addendum and a copy of both his Pennsylvania operator's license and vehicle registration card for a 2010 Nissan bearing plate GZV8934. He also provided a copy of his Pennsylvania person with a disability placard and I.D. card # P48065J that expires 09-20.

I went to 554 Noble St to investigate the feasibility of allowing a reserved space at this location. The property is a row home located on the east side of the street and there currently is no off street parking for this residence. Allowing a reserved space at this location would not conflict with any existing parking regulation other than the weekly maintenance route or create any safety hazard.

Due to the lack of off street parking it is my recommendation that this request be APPROVED.

Re: Reserved handicap parking space REMOVAL 323 E. Basin St.

Chief Talbot,

I received a 2020 reserved handicap parking space renewal from Joanne Darden who resides at 323 E. Basin St. indicating that she sold her vehicle. I contacted Darden by phone and she explained she had a stroke, lost her operator's license and no longer needs the reserved space in front of her residence. It is my recommendation that this space be **REMOVED.**
