VI. Code Enforcement, Building and Zoning

- 1) Contractor Licenses
 - Before February 1st (annually) \$70.00
 - After February 1st (annually) 80.00

Note: All plumbing and electrical employees must be licensed

Contractor’s licenses are value for the calendar year (January 1st through December 31st). Any contractors commencing work without first obtaining license shall be subject to a payment of double the fee described above.

- 2) Building Permit Fees

Permit applicants shall pay a fee based on the total estimated cost of the project (\$70.00 minimum). The Code Enforcement department may require the applicant to provide a contract or similar documentation to verify the estimated project costs. **FEES SHALL BE PAID AT THE TIME WHEN THE PERMIT IS ISSUED.**

Building, plumbing, electrical, mechanical, fire and energy permits shall be issued separately and each permit fee shall be based on the following fee scale calculation for the total project value as follows:

Total project value up to \$2,000	\$0 to \$2,000	\$70.00
Total project value up to \$50,000	\$2,001 to \$50,000	3% per \$1,000 of project value or fraction thereof
Total project value up to \$3,000,000	\$50,001 to \$3,000,000	1.5% per \$1,000 of project value or fraction thereof
Total project value over \$3,000,000	\$3,000,000 or greater	.75% per \$1,000 of project value or fraction thereof

A project that includes multiple parcels and the total construction value of the parcel exceeds \$50,000, each permit for each parcel shall be calculated based on 1.5% per \$1,000 construction project value for the project or project phase. This fee calculation applies only to projects that are regulated by the International Residential Code.

All permits require an additional \$4.50 State fee established by Act 45 of 1999. Each permit fee shall also be subject to a \$25.00 Administrative fee.

Any person commencing work without first obtaining an approved permit from the Municipality shall be subject to a payment of double the permit fee described above.

Building permit fees include the cost of two (2) inspections for each phase of the project (e.g. footings, framing, plumbing, etc.). Additional inspections required because worked completed failed to pass the initial two (2) inspections shall result in an additional \$30.00 fee for each additional inspection.

Inspections canceled by the contractor or resident with notification of less than 24 hours in advance of scheduled time shall be assessed a \$25.00 cancellation fee.

3) Plan review fees

Building plans submitted for review to the Municipality of Norristown Code Enforcement Department as part of a permit application will be charged an additional fee. **FEES SHALL BE PAID AT THE TIME WHEN THE PERMIT IS ISSUED.**
